OGGETTO: Selezione studenti RAPPLab5, con allegati un breve CV in Inglese (2000 caratteri) e una breve descrizione del proprio progetto di ricerca (3000 caratteri).

Attached is the announcement for our Tallinn lab "Exploring Musical Identities" in September 2022. The dates for student participants are the 19th until the 23rd. The teachers program is scheduled for the 21st until the 23rd

This lab is suited for both Phd's and Masters level students, with an emphasis on those who are at the beginning of their exploration into artistic research as well as individuals with an interest in how identity could be used as an object for artistic exploration, and a solid knowledge of English language.

We have set the deadline for student applications at the end of June.
